

St Robert's SCRIP Program 2016

Scrip is our year-round fundraising program. Scrip turns everyday shopping into cash for our school when you use Scrip gift cards to pay for typical purchases (like gas and groceries) instead of the usual credit/debit card or other money.

Your Scrip program is \$3,000.00 per year, beginning April 1, 2016 and ending March 31, 2017
You must meet \$1,500.00 by November 1, 2016

TWO Methods to Fulfill Obligation:

1) Shop with Scrip: Physical gift cards, card reloads, and/or electronic gift cards

A fund raising program where profits received are donations from merchants or businesses and NOT from its participators. St. Robert School receives various % of your total purchases. For example, you order a \$25 scrip gift card for Target. St Robert's pays the vendor \$24.38. The school gets the 2.5% difference while you only pay the face value of the scrip gift card! You have fulfilled \$25 of your scrip obligation.

2) eScrip: Store specific loyalty club cards

A system which administrates and tracks purchases made by its members at any of the participating eScrip merchants. St. Robert School receives about 3% of your total purchases. Examples are Mollie Stone's or Lucky's.
